

Community Christian School

February 1, 2010

Amador Community Foundation,

We thank and applaud the Amador Community Foundation for their generous grant to Community Christian School. This money will be purchasing one year of a program called FAME (Fine Arts Mini-Experience) which we have found greatly helps our students to develop an appreciation of art and music. Several of our students are pursuing music studies after being introduced to different musical instruments.

We found the foundation governing board to be easy to work with and they were very prompt in responding to our request.

The Amador Community Foundation is a non-profit public charity established in 2000. It works on a local level to assist in projects that benefit our community. Projects have ranged from Friends of Music to Meals on Wheels. They have assisted over 200 non-profit groups in Amador County. All funds are obtained from donations made to the foundation by individuals or businesses. The foundation is governed by an independent board of individuals selected from our communities that have expertise in diverse areas.

Further information about the foundation may be found on their web site at AmadorCommunityFoundation.org or by contacting them by phone at 223-2148.
